To keep current on the rate, either call the DOT at 518-457-6236 or check AMSA's Web site at <http://promover.timberlakepublishing.com/index.asp>, where you will find the current percentage applied for weight distance rated moves. The dollar amount for hourly rated moves goes up or down by 25 cents for each percentage point change.

¶Percentages for weight-distance-rated moves

*The energy charge for moves rated on an hourly basis shall be determined by multiplying the approved charge by the number of billed van hours to a maximum of ten (10) hours per van, per day, including travel time.
